SAFETY continued

All activities are in Dining Room A unless otherwise noted. All staff are welcome to attend any of the right to know or MSDS sheet seminars. Stop in for the open office hours. If there are particular matters you would like Monona to spend some time on, please let **Richard Koontz** know as soon as possible (x882), so that she can bring necessary materials with her. Hope to see all of you there.

*From **Janice Klein** --*

For anyone interested in staying informed -- and taking action -- about federal support for museums (NEH, NEA and IMS authorization and funding), I receive updates on a regular basis from the American Association of Museums which will be posted outside of my office (Registar's Office in the Department of Anthropology) on the third floor. They include the status of various appropriation bills in Congress and information about who to contact.

The family of Willie B. Champs would like to thank each and every one for the many acts of kindness, concern and prayers in our time of sorrow.

Levertia Short-Harris and family

POP CAN RINGS FIND THE RIGHT HOME

After a year and a half of persevering, knowing someone out there would recycle the pop can rings she was diligently stashing in her office, **Gale Asikin's** efforts paid off. Since the *Plastics on Parks* program ended in February 1994, Gale saved ten large bags of pop can rings taken from the cans that go into the museum's vending machines. This week ITW Hi-Cone, a leading manufacturer of the ring carriers, picked up the load and were quite impressed by the quantity. And the good news continues... We'll be able to continue recycling the plastic rings by simply shipping them off to ITW Hi-Cone, a box at a time, free of shipping costs! *Thanks Gale!*
